

FREE Training: CAMHS Events (2 Days)

“Getting your Act together” Preparing the Workforce for the Changes

VENUES AND DATES:

London/South East (Skipton House, London)	9 February - 10 February 2010
North West (Crowne Plaza Hotel, Leeds)	10 March - 11 March 2010
South West (At-Bristol, Bristol)	16 March - 17 March 2010

TIME:

Two full days of training: 9.15am registration - 4.45pm latest finish (lunch provided)

Who should attend?

Key members of Child and Adolescent Mental Health Services from across the region who are in a position to deliver the training to the rest of their colleagues from CAMHS.

The course is for both community and inpatient practitioners and will enable trainers to understand all the 2007 amendments to the 1983 Mental Health Act, not just the amendments, which relate only to under 18s.

By participating in this training you must agree to disseminate the information in your local CAMHS community and inpatient teams. You will be provided with a training pack upon completing the course.

Objectives

To summarise all the changes introduced by the 2007 amendments to the 1983 MHA - not just those which apply to under 18s in particular

- To introduce NMH DU training materials as developed by the Training team
- To provide clarity regarding the process of cascade training.

To book a place: Places can be booked online by visiting our website www.nmhd.org.uk (under **National events section**). Please make sure that you complete all requested fields including any special dietary, access or other requirements. We reserve the right to restrict places to a maximum of two delegates from the same organisation and to close this advert early should we have an overwhelming response.

Confirmation of your place: All delegates will receive confirmation of their place via email. Please make sure that you enter your email address correctly. A map of the venue together with programme will be sent with confirmation of your booking.
